

Kleinburg (West Vaughan) Tennis Club COVID-19 Protocols

1. All tennis players should self-screen to limit the introduction of infection. Prior to attending the tennis courts, every player must do the self-assessment for COVID-19 on the Ontario Ministry of Health website at: https://covid-19.ontario.ca/?_ga=2.57981480.369146347.1588192423-2067268684.1583164607

If tennis players do not pass the assessment, they should not attend the tennis courts until they do pass the assessment.

2. Continue to emphasize physical distancing among players on the tennis courts (2 metres) when entering/using the tennis courts, and wear a face covering except when playing.

3. Continue to practice good hand hygiene using alcohol-based sanitizer before, and after play (members are responsible for their own alcohol-based sanitizer).

4. Gatherings on the court, or around the interior and exterior court areas, should be avoided (only maximum 5 people can gather). Leave the club as soon as your booking/program is complete.

5. Club members should remove their own trash and water bottles from the premises.

6. Follow the Provincial Government, the Regional Medical Officers, and the City of Vaughan Guidelines.
